

American Legion Auxiliary  
Department of California  
Education Bulletin  
February 2022

Members~

The time of year is upon us to finalize scholarship applications. I hope many of you were able to assist our scholars.

National has several scholarships available. The deadline for applying is March 1<sup>st</sup>. Please consider next year if your Unit was not able to participate this year.

Please remember that to be eligible for Department scholarships, the applicant must be the child of a veteran. The Nurses scholarship has different criterion, so please read the guidelines carefully.

If your Unit is not able to participate in the scholarship portion of the Education Program, there are other ways to be active. Purchasing Poppy Seals is probably the simplest way to participate. Poppy Seals can be placed on the envelopes of your snail mail. It is a way to promote Poppies, as well.

Lastly, please remember to donate to the Department Education programs. The funds collected this year will fund the scholarships next year. They are funded through your generous donations.

Thank you for all you do for our Veterans, our communities, and our children.

Yours in Service~
