

## CHAPLAIN BULLETIN #6

Dear Chaplains

I hope you have had an opportunity to read the latest publication "HUB". As always Great Job! Lots of great information with beautiful pictures. You'll find lots of "for prayers" I hope you will pass on to other members that perhaps don't have internet access.

Spring has sprung it's that time of year for cleaning closets, sprucing up the yards. Writing Unit Reports, electing new unit and district officers and volunteering for new/different programs! And I hope you are working on a Chaplain's Prayer Book, to take to Convention! Instructions are online on the Department website.

I would appreciate any prayers, poems, verses, favorite scriptures and quotations you want me to include in the Prayer Book I am making for President Dee Ann to be emailed or sent to my home address: 155 Weyer Road Modesto, Ca. 95357. Remember to provide author's name and provide me with your name, unit and district.

I would appreciate hearing from District Chaplains if you will be attending our Department Convention. Chaplains from each District have an important role in our Memorial Service. If you aren't attending please let me know who will be representing your district in the service.

Please let me know if there is an event or person you would like me to acknowledge with a card or prayer.
