

Leadership Bulletin April 2022

Here we are getting ready to head into April 2022 wow this year has just gone by so fast.

I know you are all getting ready if not have already started your end of year reporting. I know I have. Please be sure you have the units to districts by April 8th, 2022, and then district to department by May 1st, 2022. Please refer to the web site for the forms.

I would like to big a shout out to the 29th district for hosting a leadership workshop. We had an amazing time.

I'm hoping to be receiving a lot of supplemental this year, I know we will have 100% for reporting but when you are writing your supplemental, please remember some of things we have talked about all year long. Just because you have not organized event you are still a leader, whatever was your part of the event you had to plan and execute. Please remember you do not have to out front a good leader is one that is in the back watching people become the best version of themselves which a leader.

Please be sure to write up all your events, yes you can only claim hours and money under one program but everything we do is Leadership. Going back to money and hours just like all programs Leadership also needs them. If you held leadership workshop even if is not one done by department, please write it up.

As the year is coming to an end, I'm still looking for your best leadership quote you can email them to me or text them to me. I have been putting a book together.

Finally, if you have not received your leadership cards, I will be getting them soon or I will bring them to convention with price mail going up it is crazy.

Please if you have any questions do not hesitate to call, text, or email me. I'm here to help.
