

AMERICAN LEGION AUXILIARY DEPT. OF CA

June 2022

Bulletin 4

Hello Lifeguards,

I commend you on watching the waters, rescuing a few of our drowning units. You are dedicated loyal auxiliary members; that know without proper updated by-laws are organization would not function to benefit its members and would not be in compliance with National. Over fifty per cent of the Districts By-laws have been updated to meet mandated requirements.

Thank you for getting your reports to this Chairman in a timely manner. Remember members, 5 copies of the signatures pages be returned with your bylaws.

I look forward to seeing many of you at convention. It has been a pleasure working with you this year.
