

American Legion Auxiliary
Department of California

**MEMBERSHIP
Bulletin #10
June 2022**

We are So Close to Goal!

At the date of this writing ALAMIS advises that the Department of California is at 98.38% of Goal!!!
We need to transmit 301 more members to reach the magical 100% by July 30, 2022!
Let's get surfin', everyone!

Hearty congratulations to the following Units who made Goal between May 1st and May 18th, 2022:

District 2	Willis Hollenbeak Unit 369	District 25	Chino Unit 299
District 5	St. Helena Unit 199	District 25	Highland Unit 421
District 7	Alyn W. Butler Unit 169	District 25	Robert Allen Romo Unit 422
District 7	Warren McKeon Unit 587	District 28	Prunedale Unit 593
District 7	Stella Van Dyke Johnson Unit 795	District 29	Albert E. Schwab Unit 555
District 16	Corporal Marshal N. Braden Unit 56	District 29	Los Alamitos Unit 716
District 18	West Covina Unit 790	District 30	Frank Luke Unit 24
District 22	Lakiba N. Palmer Unit 310		

Kudos to District 21 for also reaching Goal!

There is still time to transmit Membership and receive credit towards Unit Goal this year! The Commish recommends that Units who are currently at 95% or better make a final effort to get those last few members renewed and into ALAMIS soon! Please transmit any and all renewals the Unit may have on hand – don't hold them! The National Membership year does not end until the end of July, so please process any 2022 renewals that are received before then. The renewals for 2023 may be transmitted beginning August 1, 2022. New member transmittals should not be submitted until September 1st to guarantee that the new member will not have to pay again on January 1st.

Convention is just around the corner, and your Commish is busily preparing for one last surfing adventure in the Pipeline! Please note that all first place and special Membership Awards will be presented during the Membership report at Convention. Goal and Josie Melgard certificates and pins, and certificates for 2nd and 3rd place reporting will be placed in the District Membership Caucus packets. The lists for all Membership Awards will be published on the Department website after the Membership report is read.

In closing, it has been a pleasure for me to serve as California's Membership Chair this year. I have thoroughly enjoyed working with members to resolve their Membership issues and answer the many, many questions that have been asked. Thank you for your teamwork and cooperation in helping to ensure that California's ALA membership remains healthy and strong. Hope to see you at Convention!

Turning Heads and Catching Waves,

Susan Baker, Surfing Competition Commish
