

## AUXILIARY EMERGENCY FUND

August 2020

Bulletin #1

Hello Rescue Squad,

So sorry for the delay in getting this out. Well welcome to another year as AEF Chairmen. This year has been a challenge to say the least. With Covid 19 out there and with the orders for everyone to stay home and safe we were not able to really work our program. As we need to have contact to fundraise for this important program. Now with all the fires breaking out we all should be looking to see if anyone affected by the fires are in need of our help. Please reach out to anyone you might know to see if help is needed. As we well know that after the fires comes the rain then the floods and devastation.

FYI this chairman did not receive a 100% reporting. Although I did receive 12 district reports. I know that this Covid 19 has a lot to do with this, I want to believe. Hopefully next year we can get 100% reporting from all districts. Our objective as always is to raise funds for this program. So if you have any unique ideas please let us know. If it is tried and true everyone can raise money.

District 29 raised the most money for the year. Yeah for them. District 1 has one person to get a pin, District 12 there are 3 people to receive a pin, District 20 has 2 people to receive a pin, District 25 has 1 person to receive a pin, and District 29 has 2 people to receive a pin.

Congratulations and a big Thank you for your contributions. I did receive 3-unit supplementals and no District supplementals. The total contributions received were \$2,724.03 for AEF.

Thank you to all who contributed, every penny counts.

The agenda for this year will remain the same as last year. If anyone needs any information, please let me know. I hope this year will be a better one then last year. Don't forget if you do send in a donation to National, send a copy of the form to me.

Please stay abreast of all the requirements needed for the AEF applications. Everyone please stay safe and don't forget social distancing.

Yours In Service, Not Self
