

AUXILIARY EMERGENCY FUND  
March Bulletin  
#6

Hello Rescue Squad,

I hope this finds everyone well and in good spirits. With the pandemic rules loosening up I hope that we can start or continue to fundraise for this important program. Remember that this AEF program helps only us members. Please help raise the money necessary to fund this program. We never know who or when this program will be needed by any of us members. It is such a comfort to know that if needed, we can rely on this to help us in times of need.

Please be aware that the end of the year forms will be sent out soon. I would advise you to see what kind of questions are on the EOY form and keep track of what is needed. This is the easiest way to fill out your report. Also, if all district chairmen can get all of their units to report so that we can have an accurate and 100% reporting. That would be awesome.

I hope everyone had a great Valentines Day and enjoy Easter. So Hoppy Easter everyone.

Yours in Service, Not Self
