

**AMERICAN LEGION AUXILIARY DEPARTMENT OF CALIFORNIA
AMERICANISM BULLETIN
May 2021**

Hello Lady Liberties,

Before we know it, our auxiliary year will end and a new one will begin. You have utterly amazed me with your activities during this pandemic. You have proven, no epidemic can stop the auxiliary from reaching out to schools, celebrating patriotic holidays, and promoting patriotism and good citizenship within our communities.

I would like to thank all the units and districts who sent me essays. Essays have been received and judging is complete. Winners will be announced at convention and certificates and prizes will be mailed immediately following the convention.

Also, I would like to thank the District Chairman for the year end reports. A special thank you to those who included a supplemental or attached a paper detailing your activities throughout the year. These help me greatly in completing my year-end report! Supplementals have been judged and will be announced at convention with certificates being mailed after convention.

As many of you have heard, convention will be virtual. There will be breakout sessions for chairmanships, so please keep your flames blazing while on the lookout for instructions on how to get into these sessions. I am proposing a code change and plan to mail each of you the details.

Thanks again for a very amazing and successful year!

This country will not be a good place for any of us to live in unless we make it a good place for all of us to live in."
