

**COMMUNITY SERVICE
“THE NIGHT WATCHWOMEN”
OCTOBER 2020 BULLETIN**

Hello to all the Night Watchwomen,

I hope this finds you all working the Community Service Program.

We have another Make A Difference Day this month. It is celebrated annually on the last day of October, coinciding with Halloween. Let us all get going in planning a special program for this day. The purpose is to inspire Americans to volunteer and make a difference in their communities, providing a national trend of service. You can access the webpage to discover resources at: www.makeadifferenceday.com

Lastly, keeping in mind that next month is Veterans Day with Christmas around the corner Let's think of our veterans and their families by putting together **Buddy Baskets**. If you do not know of a veteran in need visit the National Coalition for Homeless Veterans website: <http://nchv.orgnetwork.cfm>. This website will assist you in locating organizations to help find someone in need.

You can find instructions on how to put the baskets together by going to alaforvets.org. This site will tell you what should be put in them and how to get help and donations from schools and private business.

Please have a safe Halloween and don't let the ghouls and goblins get you.

Stay safe and be well.

Ann Philcox, Department Community Service Chairman,
