

## *Poppy Bulletin*

*April 2021*

***YOUR MIND IS A GARDEN, YOUR THOUGHTS ARE THE SEEDS  
YOU CAN GROW FLOWERS OR YOU CAN GROW WEEDS.***

It's hard to believe another Auxiliary year is coming to an end...A few Units and Districts Poppy Chairman have already shared their plans for MAY. Changing from traditional ways to new ways of distributing their Poppies.

Don't forget to contact your local officials and media expressing the significance of the Poppy and its story. Now is the time, you should contact your mayor's office for a Poppy Proclamation ready to be presented in May. At that time you should make a presentation of poppies to your mayor, city council members and everyone attending their meeting.

Your Unit/District's End of Year and written supplemental reports will prove your success. Remember, teamwork! Consider asking your Legionnaires, SALs and Junior on your mission to distribute Poppies.

Not only will your Poppy reports help make my report more interesting, but will define your success.

All donations received will be used by The American Legion Family for their programs that support veterans, the military community and their families.

*Are you wearing a poppy?*
