

Poppy Bulletin

November 2020-2021

November 11, 2020 - Veteran's Day

This year will be remembered! Why? Because during this pandemic you have not forgotten how important for the American Legion Auxiliary to order poppies!

We continue our mission to share the poppy story and honor ALL veterans!

Unit and District mid - year reports are due. I want to hear your stories, too! That will be our legacy! Are you modifying what you did in past? Or are you going to try something new? Include in your mid - year a line or two or a paragraph will do!

December 7 - Pearl Harbor Day

December 19 - National Wreaths Across America

Consider these dates of opportunity to make wreaths or centerpieces for Legion or community events.

Mid - Year Deadline: Units to District Chairman - December 1, 2020

District Chairman to Department Chairman - December 15, 2020

"In joy and in sadness, flowers are our constant friends."
