Centerpieces filled with poppies for all events held this holiday season...No these are not new ideas! I encourage you to think outside the box. I'll be waiting to hear how you promoted the "Poppy!"

POPPY ORDER was deadline – OCTOBER 1, 2020

Units are mailing Poppy letters to their Legion Family enclosing poppies explaining how their donation assist veterans and the Poppy poem or the Poppy story.

Using the Poppy image and telling the story of the Flanders Field educates our community about the sacrifices of our military service members and helps to raise awareness of the Legion Family.

Are you wearing a poppy pin or t-shirt!

Stay branded & tell our Poppy story!!

District Poppy Chairman to Share Your Service on Social Media

Social media is the perfect way to get the word out. Yet sometimes social media can be a challenge. Should you use Facebook or Twitter? How should you word your message? Take a look at the American Legion Auxiliary Public Relations Toolkit for help with social media.

A flower does not think of competing with the flower next to it.

It just blooms!
