

**ETERANS AFFAIRS AND REHABILITATION**  
**November, 2020 - Bulletin NO.3**

***HAPPY VETERANS DAY***

**What are your units and districts planning for our beloved veterans? I would invite you to include activities with veterans that support their special needs in your community and post. Do something special to recognize veterans in a safe manner for you and them.**

**Some medical facilities are accepting grocery gift cards and non-perishable food items. This is an excellent way to help those in the hospitals and veterans home. Many clinics and hospitals are accepting “cleaned” USABLE clothing and shoes. It looks like we’re going to have a cold winter.**

**I would like to thank you for being patient has we govern ourselves during these most unprecedented times. Midyear reports are online; please send your reports on time. Chairmen please survey your unit membership for hours, money, and in-kind donations. Are you a caregiver? American Legion Auxiliary Academy is an excellent tool to recognize if you are a caregiver. You can contact them at [www.ALAforVeterans.org/ala-academy](http://www.ALAforVeterans.org/ala-academy).**

***Defenders – open up to new opinions and ideas –acknowledge all members that have contributed to projects. As leaders we need to remind ourselves that we are here for our Veterans not ourselves.***
