

**COMMUNITY SERVICE
“THE NIGHT WATCHWOMEN”
SEPTEMBER BULLETIN**

Congress has designated September 11, formally known as Patriot Day as a:

NATIONAL DAY OF SERVICE AND REMEMBRANCE

The American Legion Auxiliary Community Service Committee challenges all Auxiliary members to join the 9/11 Day Observance by making a pledge to serve veterans, service members and their families in whatever manner you wish.

This year there is a National Day of Virtual Volunteering for 9/11. Please go the website **911DayAtHome.org**. The website will be active beginning September 1 and there will be over 50 outstanding good deeds: that can be done from your home. Be part of their goal of one million virtual acts of service for 9/11 this year.

Please remember your local police departments, fire departments and hospitals. You could serve lunch or bake cookies.

Remember our veterans in hospitals and their families who may be in need. During this difficult time, a phone call is welcome just to have someone to talk to. Loneliness at this time can be devastating due to social distancing.

Lastly, California is once again under siege from forest fires. Please have your Units, Districts and members donate to the California Disaster Fund. The fund is intended to support Auxiliary Members in our state

Stay safe and be well.

Ann Philcox, Department Community Service Chairman,
