Ice Cream Parlors:

Hope you are all having a relaxing/restful/enjoyable summer and looking forward to an outstanding year with the Surf Bunnies, aka Juniors.

Jackie Cleveland will continue as Junior Conference Director this year. Some changes have been proposed to ensure that Junior Conference will be a success. Keep tuned for further details on these exciting plans.

All these wonderful changes on the horizon, however, will only be able to be implemented with your help. Of course, this means fundraising! There are many items on the National website to help you plan. As the year goes on, you will be receiving information on the different programs you can use with your Juniors.

Consider starting a Junior Program in your Districts and Units. Many of us sign up our children and grandchildren. Wouldn't it be wonderful to enjoy fun times with them while teaching them about the Auxiliary?

"Youth is not a time of life; it is a state of mind; it is not a matter of rosy cheeks, red lips and supple knees; it is a matter of the will, quality of the imagination, a vigor of the emotions; it is the freshness of the deep springs of life." – Samuel Ullman
