

**Change is inevitable; but progress depends
on what we do with that change.**

Charles Wheelan

Changes happening this year:

- New Officers, Chairmen, District Presidents and Vice Presidents
- New surfing theme to inspire our members and entice new members to join and have fun while honoring our veterans (our Moondoggies)
- New motto
- New Zoom platform for DEC and Convention
- New at-home employment for Secretary Liz Doidge
- New website and new webmaster Rebecca Glenny
- New *Auxiliary News Hub*
- New ways of looking at programs and fundraisers
- New technology team

Change within any organization allows us to evolve. One of my beliefs is that nothing is forever. Change is inevitable - we can only embrace it and hope it makes our lives better while moving our organization forward. We have to be open to learning and doing the impossible.

I hope each member, our Units, District Presidents and Chairmen have an exception year. I am eagerly anticipating seeing each of you and listening to your stories of service to our veterans and their families.

Catch the Wave

Dee Ann Graham, President
