

AUXILIARY EMERGENCY FUNDS
DONUTS SHOP
October 2021 BULLETIN

Greetings Donuts Shops. Renovations are done, we are all Shiny and New, ready to help our members and raise some money.

The natural disasters all over our country are affecting members. Hurricane Ida caused such horrific destruction to the Gulf Coast, but many other states were affected including the flooding in the East and the wildfires in our Western states that are destroying homes and even towns. Many of our members may be suffering due to circumstances beyond their control. AEF needs to be prepared to help when members request assistance. Now what better way to stay ready than to increase our donations.

So who is up for a friendly challenge? I hope all the districts members are.

Our Western Division AEF Chairman has put a challenge in place. This challenge is to request donations of a minimum \$1.00 or more per Unit member based on your membership at the end of July 31, 2021. A disaster can happen at any time no one knows when so we must be ready.

Please continue you to reach out and check for those members who may need assistance so we may provide them with the help they need. If you have a member that needs to apply for assistance please review the application guidelines. This information can be found at www.ALAFforVeterans.org/AEF or contact us at the Donut Shops for assistance.

WE ARE HERE TO HELP!!
