

Veterans Affairs and Rehabilitation

October 2021 Bulletin

Greetings, I hope that you all working on our exciting project proclaiming November as **“Veterans, Military and their Families Month”**. I know that this project was given with short notice but, I have received a lot of phone calls and emails with questions and excitement and can’t wait to see the results of your dedication to our veterans. Please remember that we need to share our accomplishments with our Public Relations Chairmen. As always, please reach out if you need help or have questions.

Last month we talked about National not asking for Mid-Year Reports. I have received a lot of questions so, just to be clear we (California) still need to report what we have done the for first part of the year. This will not be a statistical report but, should be a report of activities and events that you, your units and your districts have done to move our mission of serving veterans forward. Some of you have already shared what you are doing with fantastic newsletters. I have forwarded them to our Western Division and National Chairmen and have received great feedback about your work. Thank you for making California shine. Unit Mid-Year reports are due to your District Chairman by December 1st. District Reports are due by December 15th.

Our National President Kathy Daudistel’s focus this year is **“Caring for Those Who Care for Others”**. I encourage you to streamline your projects and events with this in mind. Think outside of the box about how your work could support the caregiver of a veteran. Become familiar with the service of the VA caregiver support program. Resources: www.caregiver.va.gov . Elizabeth Dole Foundation - www.elizabethdolefoundation.org . Both of these sites have a vast amount information for caregivers or those that want to understand caregiver needs.

Remember to be kind to each other. It will make life better for all of us.

For God and Country

Glenda Schultz – California VA&R Chairman 916-335-3345 grschultz@sbcglobal.net
