HEAR YE HEAR YE

CALLING ALL MUSIC CHAIRMAN!

This is your Transistor Sister and I am playing my radio and I hear this “If everybody had an ocean across the USA then everybody’d be surfin’ like Californi-A.”

Well, Californi-A it’s that time of the year and I would love to hear how your District has incorporated music into your meetings or programs.

Keep Calm and Play Music

Please have this information to me by 12/01/2021.
