Common mistakes on Transmittals

- Do not transmit PUFL members, members that paid online, or over the phone through National.
- All membership should include the most recent version of a transmittal (V2021). Handwritten notes are not an acceptable form of transmitting members.
- Member's checks should not be sent in with transmittals. The Unit should deposit the member's checks and write a check for the total amount of the transmittal.
- Only the most current Transmittal form should be used. The newest transmittal can be found on the Department Website.
- Do not send in any documentation regarding Veterans i.e. DD214, ids, etc.
- All new members must be sent in with an application, even if the Unit enters their data into ALAMIS.
 - If you are entering new members in ALAMIS the following fields are required: First Name, Last Name, Address (Street, city, state, zip), Date of Birth, Name of Veteran eligible through, Veteran Living or Deceased, Veteran if Living- Post Number and Location (City and State), Relationship to Veteran
