Education Bulletin
December 2021

Hello Wind Surfers

I hope this bulletin finds you and yours in health, prosperity, and serenity. I know the holiday season can be quite hectic and stressful. Please remember to take a moment for yourselves when you feel like you are on overload.

I will not put anything else on your plate at this time. Please check in with your Units to see what assistance they may need.

If you have not already done so, please get your midyear information to me as soon as possible. I would like to be able to share it at DEC in January.

Department scholarship information is on the Department website along with a link to the scholarship applications. Please familiarize yourselves with these so you can answer any questions that may arise.

I look forward to seeing you all in Long Beach next month. Be safe and have an amazing holiday season. May all the blessings you desire come your way.

Respectfully~

Robin
