Education Bulletin
November 2021

Hello Members,

As the holiday quickly approaches, I know we are all busy in our home lives as well as our professional and volunteer lives. This month I am asking that if you have not already done so, please get the scholarship information out to our schools. Please do not forget the Community colleges and Universities. Our Returning Student scholarship may be very helpful at our schools of higher learning.

Please remember to place a Poppy Seal on your holiday card envelopes. This is a perfect opportunity to get those poppies seen and it is also a festive addition to your mail. If you need sheets of poppy seals, please contact Liz at the Department office. The order form for supplies is on the Department Website.

For mid-year reporting, please let me know how your Units/Districts have promoted the Education program thus far this year.

Thank you for all you do for our Veterans, our communities and our children, and especially our scholars.

Respectfully~
