I wish to thank the following District for their reports, 17, 25, and 20. In order received.

I have sent personal bulletins out to each District Chairman from National, when I receive them. All that I ask is that you let me know that you received them. Please include your Name, District it is a lot easier for me. I wish to thank those ten who Always respond. Sometimes I need to receive an email from you so that my computer has a way back to you. You might think this rather odd but my computer is 10 years old has a mind it seems of its own.
