Education Bulletin
January 2022 Bulletin

Hello wind Surfers~

HAPPY NEW YEAR! I hope you and yours are healthy and safe New Year; and enjoying a new beginning. I look at it as a reboot. Maybe not everything has changed, but I am looking at life through a new lens with a new perspective.

If you are going to DEC, please look me up if you have any questions or just want to say "hello". I think it will be an amazing opportunity to be together (carefully) again.

If you have not done so already, please get the scholarship information out to your local schools. The deadline will be here before we know it. Also check to see if they could use some supplies. Give 10 to Education is a piece of the program that can be worked year-round. They always need to restock.

I will stop for now as I know we are all very busy and taking life on life's terms. I hope to see you all soon, or when it is safe again.

Respectfully~

Robin
