Hello Beach Volleyball Team!

Happy New Year!!! I hope everyone enjoyed the holiday season. 2022 has already brought some new changes to ALA CA Girls State. Claremont McKenna is not allowing outside organizations on campus until July. We are in communication with UC Davis and Sacramento State for the 2022 session, accelerating the move we planned for 2023. The projected session dates are June 27-July 2, 2022. As soon as we have a signed contract, the Unit Information Packet with the confirmed location and dates for the 2022 session will be made available.

We will work at the Department level to support Units who have difficulty covering increased transportation costs for their delegates. After the contract for the 2022 session is signed, we will distribute a transportation plan.

If public health and/or university requirements prevent us from safely holding an in-person session in 2022, we will pivot to a virtual session similar to the 2021 session format.

**Unit Girls State Chairperson To Do List:**

- If you feel comfortable, begin your selection process with the projected session dates June 27-July 2, 2022 in Sacramento.
- Ask if candidates are willing to comply with vaccination and COVID test requirements and other COVID protocols that may be required (i.e. mask mandates, hand hygiene, social distancing).
- Be sure to select a delegate, 1<sup>st</sup> alternate, and 2<sup>nd</sup> alternate and keep contact information for other interested students who were not selected.
- Discuss with your Unit how to cover transportation costs for delegates to Sacramento. Notify me if your Unit will require Department support.

**Next Zoom:** Tuesday, January 18 at 7:00 p.m.
