

AMERICAN LEGION AUXILIARY DEPT. OF CA

Constitution & By-Laws Bulletin 3

Greetings Lifeguards,

It was a pleasure seeing so many Lifeguards at our DEC. Most of the units are taking their responsibilities regarding CB very seriously. That indeed makes our President and this Chairman very happy. For those units that still need to update their by-laws, please do it as soon as possible. We don't want any "wipeouts" in June.

Please work closely with your Unit Parliamentarian on informing your members about their unit bylaws and parliamentary procedures. I know you are tired of the following statement but unless you adhere to the rules we cannot operate efficiently. So PLEASE READ THE BELOW SENTENCE...

If any Unit submits an amendment, there must be five (5) original signature pages sent to me, your Department Chairman. While you are reviewing your Bylaws, read your Standing Rules to see if there are changes that should be updated.

Also, the approved by-laws are submitted to the persons name at the bottom of the signature page.

Happy Valentines Day!

Gloria Williams
Dept. Chairman
