

**AMERICAN LEGION AUXILIARY'S
DEPARTMENT EXECUTIVE COMMITTEE MEETING
JANUARY 14-26, 2022**

**Stage Remarks From Distinguished Guest Chairman
Linda Fercho**

Madam President thank you for having the confidence in me to give me this chairmanship. You may regret it later though. Just kidding.

I truly am having a good time . Your theme is so much fun. I hope everyone had a good time at the Banquet.

WDNVP Toni and I have know each other for years so it's been very special for me to get to hang around with her.

I'm looking forward to the National President's visit. National President Kathy and I go back several years when I was her National Vice Chairman for Membership so that will be fun to get to catch up with her. Your National President's visit chairman Maureen O'Brien- Sacco and Linda Workman have done a fantastic job organizing her visit.

Again thank you for this chairmanship.

Point of privilege I want to thank everyone for all the cards for the passing of my sisters and when I broke my back. Also I want to apologize to everyone that was affected when my email got hacked, What a nightmare that was.

I do need to leave you with a joke.
