

American Legion Auxiliary  
Department of California  
Education Bulletin  
March 2022

Members~

Thank you to everyone who reached out with questions or ideas. We learn from each other and improve together. I will forward any ideas to next years chairman. I appreciate your input.

There is still time to complete the Department scholarships. The deadline for E21 and E21C applications is it must be received **BY** March 16<sup>th</sup>. Please do not postmark them on the 16<sup>th</sup>. They will be considered late and will not be considered. Please contact this chairman if you have any questions regarding the deadline.

If you have not made donations to the Department Education fund, PLEASE do so now before the close of books.

Lastly, please be aware end-of-year reports are fast approaching. Start working with your Unit members to consolidate information on activities and donations so the chairman will have an easier time writing their report. This information needs to be to your District chairman on time so they can get their report to me on time. I have deadlines to follow, as well.

Thank you for all you do for our Veterans, our communities, and our children.

Yours in Service~

*Robin*
