

Junior Activities
DEC Report
January 15, 2022

Madame President, Officers, Members and Guests:

I am painfully aware that due to the issues of the last few years, it has been hard to get our groove back. I say now though that we need to start thinking about the future of our organization and that means get our juniors back in the swing of doing things.

I received seven mid-year reports out of thirty. I understand that some units and districts do not have juniors, but when pushing for membership how about letting people know about this wonderful program. Remember this program is what will keep our auxiliary going into the next 100 years.

I have had great difficulty trying to put issues and ideas to paper, as everyone knows I love to talk, but I have nothing.

So now for the items that need to be taken care of. The package for Junior Conference is now posted on the website. We need reservations. As of today, we have received one reservation. Please if you have juniors that want to attend the conference, the deadline for reservations has been extended to March 15th at 5:00 p.m. We do not want to cancel so get your juniors involved.

Also, this year the committee has decided that we will not be having a Junior Store, we must start bringing the program into the 21st century. The Juniors themselves will keep track of personality, good deeds, and work ethic to mention a few and at the end of the weekend the girls that are chosen will receive a certificate and a gift certificate. We would like all units and districts to purchase gift certificates for the junior so that they can purchase items they like when they return home.

We are also having a Quartermania to raise funds. Sadly, ticket sales this past year are at an all time low. Please purchase. I have some here today. I will also be passing around the ice cream cone. Please donate, this is a self-funded program. I want to thank each and everyone of you for your participation.
