Your Mid-Year District Report should reflect the work of the Units in your district that supports the VA&R Program Action Plan. This should be a supplemental report not a statistical report.

**Please share what your District accomplished by answering the following questions.**

1. How did your Units participate in our National President's Special Project "Caring for those who care for others"?
2. How did your Units participate in the caregiver program?
3. how did your Units earn their Service to veterans' hours?
4. How did your units participate in stand downs?
5. How did your Units provide Service to veterans?
6. How did your units participate in services to active-duty- & reserve military?
7. Did your Units recruit new field service volunteers?
8. Describe any VA&R activities that your units have participated in to date.

Please share pictures, newspaper articles or any other media about your District's activities.

If you don't have answers for all of the questions that is ok. Just give us a report of the contributions your units have made in moving our mission of service to our veterans forward.

Send your reports to:
