**MEMBERSHIP
Bulletin #9
May 2022**

Congratulations, We Did It!!!

Thanks to the hard work of Area Membership Team Representatives, and District and Unit Membership Chairmen, California reached 95.20% of Goal last week, and will receive \$250 from the National ALA. Very nicely done, ladies and gentlemen! Goal is definitely doable by May 27th.

Hearty congratulations to the following Units, who have made Goal since March 4, 2022:

District 5	San Anselmo Unit 550	District 21	Joe Dominguez Unit 742

Kudos to Districts 1, 6, 15, 16, 17, 24, and 29 for also reaching Goal!

There is still time to transmit Membership! Let's make a concentrated effort between now and May 27th to get California's membership numbers up. We are so close to Goal now, I'm sure we can do it. Please do not hold Membership renewals – remember, even though the member has paid dues to the Unit, ALAMIS does not recognize that member as being current until a transmittal and payment are received from the Unit.

10 New in 2022 Award – This National award is given to members who recruit 10 NEW Junior or Senior Auxiliary members for the 2022 membership year. I'm sure a number of members qualify for this award. The new members must be paid in ALAMIS by June 1, 2022. The **10 New in 2022** form appears at the end of this bulletin, and will also be found on the Department website under Committees/Programs, Membership, Membership Awards. The Unit will email the completed form to the Department Secretary for certification, and once that is done she will email it to National Headquarters by June 3, 2022. Some National recognition for these deserving members will be very much appreciated!
