June 2022

Hello Beach Volleyball Team!

Unit Girls State Chairperson To Do List:

- Make sure your selected candidates have complied with the vaccination requirement. Check Columns K-M on the Reservation List.
- Check Column P to see whether the Department Office received the bus payment (if applicable).
- Verify that your delegate has received five emails from alacagschief@gmail.com. The information communicated directly to delegates is in the [Delegate Communications folder](#) in our Resource Folder.
- Bus drop off/pickup locations and times were emailed to delegates, parents/guardians, Unit Chairs whose email was on the Reservation Form, and District Chairs earlier this evening. If you did not receive it, please check your spam/junk folder.
- Delegates who ride the bus will need to give a bus consent form to the bus chaperone before boarding.

Stoles: ALA CA Girls State stoles and other items may be purchased at shopcagirlsstate.com.

Transportation Miracle: A huge thank you to Assistant Director Sherry Core for undertaking the incredibly challenging task of coordinating the chartered bus transportation for our delegates spread throughout central, coastal, southeast, and southern California with the number and location of riders changing frequently for a variety of reasons.

With the 2023 session location known well in advance, it is likely that we will turn over transportation responsibility to Districts and Units next year.

Only twelve more days until the start of 2022 American Legion Auxiliary CA Girls State! We've waited three years to be back in person! It is quite remarkable that with all the challenges of this past year at every level – Department, District, Unit, School – that we have just about the same number of delegates as last year's virtual session.

Thank you for your patience, faith, and all your work!
