

August Membership Bulletin

The American Legion Auxiliary Department of CA has left the station and the engine is looking to make some momentum!!

Membership is the engine to Department President Gloria's train; as we know nothing moves without membership aka the engine.

Your membership team will be known as the **fire crew**. On trains, the **fire crew** keeps the engine moving by supplying embers (ideas) on how to make it happen.

We have been blessed with an Early Bird surprise! Department Commander Jere, and First Lady Martha have donated an exciting opportunity for all Legion Family members to be involved in. A 2-bedroom, 7-day Cancun stay with flight credit. Any member in the Legion Family of CA that pays their dues by September 14th will be eligible for this opportunity. Do not hesitate- get yourself in there!!

As of now, it is still important to send your members dues through a transmittal. We realize that some of you are excited to pay online with a Unit debit card, but it is not ready for all Units as of now.

Please Please Please get your transmittals for renewing members in ASAP.

We know how well the membership team from last year did in making their 100% and we have big shoes to fill - but we are ready for the challenge.

We have more information to be shared with each District at Clovis, so for now-
