The updated nursing scholarship is currently on the department website on Past Presidents Parley, click on the icon then click on Nursing Scholarship you will see the word [Application](#) under Past President Parley Nursing Scholarship. If you have any problems, contact me and I will send you an application. Start early searching for those that could use our financial support for their education. Visit your high school counselor's, local colleges and your local hospital nursing supervisor and nurses that you know for their support finding a candidate from your unit. It would be great to have an application from every unit in our Department.
